## **ADDENDUM #1**

On April 22, 2016, the New Hampshire Department of Health and Human Services published a request for proposals to solicit proposals from vendors for the provision of case management services that will assist individuals residing at the Shea Farm Transitional Housing Unit in reducing barriers to employment and long-term career opportunities.

**Pursuant to Section 6.14 of RFP-2017-DFA-02-GATE, the Department hereby cancels this Request for Proposals.**
